With the election season heating up, the Lobby Shop team is joined by Pat Dennis, President of the Democratic Super PAC American Bridge 21st Century, to discuss the role of opposition research in campaigns, and what his group is doing to help Democrats win up and down the ticket. Hosts [Liam Donovan](#), [Paul Nathanson](#), [Dylan Pasiuk](#), [Caitlin Sickles](#), and [Josh Zive](#) sit down with Pat to unpack the “dark arts” of politics, the evolution of negative campaigning, and what we should be watching for in the home stretch of the campaign.
