

## Madam Policy Featuring Alexa Cole

Podcast | Madam Policy

March 06, 2024 | 1 minute read

---

Madam Policy is excited to welcome back the amazing Alexa Cole, Director of the NOAA Fisheries Office of International Affairs, Trade and Commerce. Hosts [Dee Martin](#) and [Anna Karakitsos](#) sit down with Alexa to talk about the work she is doing as she leads the US government's efforts on global management of marine resources. Want to hear about Alexa's work combatting IUU fishing and forced labor or how Alexa navigates and negotiates international treaties? Then tune in!
