From the passage of the 2018 budget deal to the President's FY19 budget proposal announcement, there has been a lot of talk in Washington about federal money and where it should go. [Josh](#) and [Liam](#) sit down with two lobbyists who have significant experience in this complicated area of government, [Ed Krenik](#) and John Lee, to discuss the political context for these events, how they differ and what they mean for policy going forward.
