

Carbon Capture, Utilization, and Sequestration Webinar

Video

February 24, 2021 | 1 minute read

The KBH Energy Center hosts a virtual program that will explore the role that carbon capture, utilization, and sequestration (CCUS) will play in the energy transition by discussing topics within the CCUS umbrella, including economic drivers and Section 45Q tax credits, CO₂ off-take arrangements and secure geologic sequestration of CCUS technology in the upstream sector.

Date – Wednesday, Feb. 24, 2020

Time – 8:30 am – 11:00 am

Speakers – James “JJ” McAnelly (moderator) & Elizabeth McGinley (speaker)
