HOUSTON

+1.713.221.1506

Eryn Roberts works on a range of public finance matters, including as bond counsel, disclosure counsel and underwriter's counsel. Her background includes advising issuers on securities law disclosure obligations and related regulatory matters, as well as representing issuers and underwriters in initial public offerings, and public and private offerings of securities. She has extensive experience in advising public and private companies, including non-profit corporations, on general corporate governance matters, drafting and reviewing organizational documents, policies and resolutions.
