

Advocating for Reproductive Health Care With Skye Perryman of the American College of Obstetricians and Gynecologists (ACOG)

Podcast | The Lobby Shop

April 23, 2021 | 1 minute read

This week on The Lobby Shop, [Dee Martin](#) and [Caitlin Sickles](#) spoke with Skye Perryman, Chief Legal Officer and General Counsel at the American College of Obstetricians and Gynecologists (ACOG). The discussion covers ACOG's work, a battle over the drug mifepristone that went to the Supreme Court, the importance of collaborations and how effective reproductive health care advocacy is done in the modern age.
