

We are a market-leading firm when it comes to infrastructure development. Our project finance and public finance teams are consistently ranked among the top firms in the league tables published by IJ Global and Refinitiv. Our infrastructure-related practices and lawyers are also highly ranked in *Chambers*, *Legal 500* and *IFLR1000*.

With offices in the world's leading financial and energy capitals, our infrastructure lawyers --> provide integrated and seamless service to a diverse mix of stakeholders, including **Alcazar Energy, AP Energy, Basalt Infrastructure Partners, Brookfield Infrastructure, Eni, Equinor, Fotowatio Renewable Ventures, Kinder Morgan, Macquarie, Marubeni, Phillips 66, Star America Infrastructure Partners, TC Energy and Total Solar**. We draw on our strengths as a leading global law firm to provide industry-informed advice on renewable energy, power, and oil and gas projects, many of which are the first of their kind.

We also help municipalities — such as the cities of **Arlington, Dallas, El Paso, Houston, New York and San Antonio**, and the state of **Texas** — create economic growth or make infrastructure improvements to airports, roads, schools, stadiums, arts and cultural organizations, healthcare facilities, housing, utilities, and water and wastewater facilities. We provide strategic counsel on a range of public transportation and social infrastructure developments, including the **City of Houston Airport System, Dallas Fort Worth Airport, Howard County Maryland Courthouse, Museum of Fine Arts Houston, North Texas Tollway, Texas Medical Center, Texas Rangers Stadium and Toyota Field and STAR Soccer Complex**.
