Podcast | The Lobby Shop

January 26, 2024 | 1 minute read

The group is seeing double this week when another tax policy expert joins the studio to talk about the tax bill that's on everyone's mind in Washington. Omar Nashashibi, lobbyist and founding partner of The Franklin Partnership, joins The Lobby Shop's [Liam Donovan](#) to swap insights and analysis of the bicameral tax framework and share speculation about what comes next. This episode is also a worlds collide moment for TLS hosts [Caitlin Sickles](#) and [Paul Nathanson](#) who also co-host a biweekly podcast, Talking with One Voice (supported by the National Tooling and Machining Association and the Precision Metalforming Association) with Omar and his colleague John Guzik. Caitlin, Paul, and [Josh](#) ask Omar questions about the tax framework's implications for manufacturers and talk about advocating for small business in a crowded Washington policy landscape.
