

Tax Credits, A to Z

Event

August 29, 2024 | 1 minute read

Timothy J. Urban will speak at the 16th Annual OPIS RFS, RINs & Biofuels Forum. He will present on the changing landscape of tax credits and their major impact on biofuels producers in 2025, from biofuels to renewable diesel to sustainable aviation fuel, which could also affect ethanol producers hoping their fuel will be used as an SAF feedstock. This panel will examine all of the changes coming down the pipeline and how to maximize those benefits.
