HOUSTON

+1.713.221.1328

Jason Jean is experienced in advising public and private businesses, including private equity investors, in the financial services sector, upstream and midstream energy sector, and other sectors with respect to mergers and other business combinations, asset and stock purchases and sales, restructurings and joint ventures. Jason also advises businesses in private capital markets transactions, including Rule 144A private placements and PIPEs, and public capital market transactions listed on national securities exchanges. His capital markets experience extends to representation of issuers, underwriters and placement agents on a variety of debt and equity offerings, including initial public offerings. Jason's practice also includes advising businesses on corporate governance and compliance issues.
