

## Environmental Essentials Webinar Series – Greenwashing and Carbon Targets: A Prosecutor's Perspective

Video

October 28, 2024 | 1 minute read

---

Bracewell's Kevin Ewing and Seth DuCharme discussed the legal risks that may arise from setting carbon targets, with specific focus on relevant civil and criminal laws as well as mitigation measures. Mr. DuCharme shared his perspective as the former highest-ranking career prosecutor at the US Department of Justice.
